Re: COVID-19 UPDATE #27

All resources and further updates for the RRVSD Community will be posted on our website: www.rrvsd.ca

Further to update #26, the following conditions/restrictions will be in place from January 10th to January 17th while all schools in RRVSD are in remote learning:

- Suspension of: music classes, wind instruments, community use of schools, all extracurricular activities, field trips.
- All staff are required to wear medical grade masks.
- Masks are required for students in Physical Education classes(indoors).
- No winter town transportation.
- Grades K to 6 remain in cohorts.
- 2 metres of social distancing is in place.

If you have specific questions about programming for your child/children, please contact your school directly.

We have been given direction by the province to plan for Orange level response starting January 17th. The link to this information is given above. Orange level response would mean all students K to 12 returning to school for in class learning every day. We will continue to communicate any changes to programming, as we have new information. You can expect another update the week of January 10th to 14th.

That each of us will be lifelong learners
